

JACQUES BARRETT

Jacques' been at this comedy thing for 17 straight years.

He's what we in the business call a Road Dog.

Travelling from town to town and country to country with a small wrapped bag of belongings tied to the end of a stick.

Kinda like the Hulk, but only destroying comedy club roofs.

Known for his ability to adapt to any crowd and throw relentless and consistently sharp comedy blows, Jacques is a bonafide international headliner.

His ability to weave spot-on character impressions into barbed social commentary has seen Jacques crushing shows and blowing minds the world over. A master comedy craftsman not to be missed.

"Pretty damn impressive" **Timeout.**

"This man is a Championi!" **Jimeoin**

'Effortlessly hilarious, joyously dark and a God amongst cucks' **Daniel Sloss**

"Impeccable comic timing and an endearing quality that only few comics possess"
West Australian
